AMS Advanced Management Solutions Ltd is a business and information technology consulting firm, established in Cyprus on February 2001, aiming to provide quality SAP® services to the local and overseas market. The company began its operations, offering SAP® software implementation and support, providing specialized solutions resulting in customers' growth, value creation and organizational agility.

AMS Advanced Management Solutions Ltd is an SAP Platinum Partner and authorized reseller for SAP® software solutions. SAP® solutions and products continuously advance to the changes of global economy and best practices. We, at Advanced Management Solutions Ltd are dedicated to continuously research the new SAP® products and technologies to ensure that we are able to propose services and cost-effective solutions that meet SAP quality standards. The company's focus is on working closely with every customer on a case by case base to deliver successful projects on time and within budget.
