CAST is a Brazilian company with over 35 years of experience, specializing in SAP solutions and digital transformation. Headquartered in São Paulo, CAST operates in five countries and serves over 450 clients across 20 industries. The company is a leading SAP partner in Brazil, with more than 20 years of collaboration with SAP, offering expertise in SAP implementation, migration, rollouts, AMS, IMS, and SAP-certified proprietary products such as SOFICOM and SalesCon. CAST also provides complementary solutions in cloud, AI, agile methodologies, and mobile app development to enhance SAP environments. With a team of over 3,000 professionals, CAST delivers reliable, end-to-end SAP services tailored for mid-market and enterprise clients.
