## NETIZEN IS THE UNITED VARs MEMBER FOR THAILAND WITH SAP EXPERTISE IN SAP S/4HANA, SAP BUSINESS BYDESIGN

**MORE:** <https://www.united-vars.com/en/partners/netizen>

Netizen was found in 2000. Since the beginning, the vision of the company is to develop an online shopping platform to support businesses in Thailand. Netizen aims to implement business transformation with SAP, to help businesses to become intelligent enterprises with enhanced business efficiency in management and corporate performance. The company tries to come up with the best solution to combine business, people and technology together in the best possible way. Netizen provides services focused on SAP-related services including SAP implementation for SAP S/4HANA and SAP Business ByDesign, SAP system integration, NetWeaver, SAP technical services, IT infrastructure management, and IT Roadmap.
