MORE: https://www.united-vars.com/en/partners/systex-corporation

Founded in 1997, Systex Corporation is Taiwan-based IT services provider in the Asian-Pacific region with 3,000 employees and 55 branch offices in Taiwan, China, Hong-Kong and Southeast Asia. In 2017, Systex's consolidated revenues reached US$ 566 million. Systex Corporation has already served over 50 clients, including TSMC, HTC, Compal, Sony, Gogoro and many more. The company is the number one ranked software service provider in Taiwan for 12 consecutive years and the most profitable amongst the top 500 operations in the service industry, according to the May 2018 issue of Common Wealth Magazine, which is Taiwan's leading business magazine.
